## **CE Marking pack for Installers**

This pack makes it easier for installers to purchase window or door frames from one supplier and insulated glass units (IGUs) from another. Installers who do this are considered to be manufacturers under the new Construction Products Regulations which come into effect on 1 July 2013.

This means installers buying frames and IGUs separately will need to take certain steps to comply with the new CE marking regulations and CE mark their own products. The Window Warehouse CE mark pack has the tools an installer will need to complete these steps.

## Window Warehouse CE mark pack contents:

- 1. Quality Control Policy Statement example
- 2. Factory Production Control (FPC) example
- 3. Declaration of Performance (DoP) templates Windows and Doors
- 4. CE mark labelling example and guidance notes

## Notes for using the CE mark pack:

The steps to comply with the CE mark regulation are -
