Introduction

Enjoy the blend of indoor and outdoor living with the Imagine Patio Door, allowing light, space and fresh air into your home with all the security, safety, style and practicality you would expect by choosing uPVC Patio Doors from VEKA Group.

The beauty of the Imagine Patio Door lies in its ability to provide virtually unhindered views of your garden while barely touching your living space. Your Imagine Patio Door has quality, security and thermal insulation built-in – not to mention beautiful aesthetics!

With a range of smooth colour and woodgrain options, a suite of specially selected handles and a low easy-access option for a seamless transition from living space to garden, your Imagine Patio Door can be tailored to your style and needs.

Contact your installer today to discuss the many opening configurations, threshold choices or personalisation options available for your Imagine Patio Door.

“ CHOOSE FROM TWO, THREE OR FOUR PANE CONFIGURATIONS, DOUBLE OR TRIPLE GLAZING, INTERNAL OR EXTERNAL SLIDING SASHES. ”

Your Imagine Patio Door, *your way*

Your options:

Multiple thresholds including a low easy access option

Add a mid rail for letterplates, house numbers and other door furniture

Choose from two, three or four pane configurations

Option for both doors to slide

Internal or external sliding sashes

Double or triple glazing

These are just a few of the potential style variations available:

If you can't see the style you're looking for, ask your Installer for further options.

There's no need to choose between style and function with the Imagine Patio Door. For clean cut lines and neat aesthetics, opt for a bevelled frame, or to soften the appearance choose the rounded detail of a sculptured frame.

On the inside, a completely flush frame allows your door to blend harmoniously into any room. Also providing an exceptionally neat plaster line.

It's all in the detail!

Speak to your installer to find out about all the possible options.

Bevelled

Angular lines give bevelled frames a clean, modern look.

Sculptured

Softer, rounder lines give sculptured frames a traditional appearance.

“ YOU CAN EVEN CHOOSE TO HAVE ONE COLOUR ON THE OUTSIDE AND ANOTHER ON THE INSIDE! ”

06

Hardware that keeps your home *safe, secure and stylish*

Developed in partnership with ERA and designed to meet PAS24, the locking components on the Imagine Patio Door have been designed with peace of mind built-in, providing a formidable barrier against intruders. Imagine Patio Doors are beautiful inside and out and despite their good looks and smooth effortless opening, there is no compromise on security. So you can rest assured that your new door will provide the safety, security and style you and your home deserve.

To keep your family safe indoors and intruders out, simply turn the extended lever on the handle to engage the high security interlock claw. By closing the door and locking the mechanism, the door is fully secured without the need for additional locking devices. For ease of locking, Imagine Patio Doors don't have unsightly high or low plunge bolts on the face of the frame allowing for aesthetically pleasing sightlines and easy opening.

What is PAS24?

Imagine Patio Doors are PAS24 ready - meaning they have been designed to meet the British standard for window and door security.

For advice on tailoring your handle to the style of your home and to complement your masonry, speak to our friendly team to discuss the many options available.

Safe, secure & *energy efficient*

Energy efficient

By using triple glazing, a U-Value of 1.2 can be achieved, reducing energy bill costs and increasing energy efficiency.

Imagine Patio Doors can reach an indicative WER rating of A+2 using double glazing and A+3 using triple glazing.

Safe and secure

The PAS24 ready locking kit forms a formidable barrier against intruders. Guaranteed by ERA you can rest assured that in the unlikely event of locking component failure, you will be compensated.

Weather resistant

Multiple chamber sashes, the option for triple glazing, double brush seal on all four sides and an innovative quadruple-seal interlock keep the warmth in and the weather out.

Bring the outdoors in

Maximum sash size up to 1.5 metres, choose up to four glazing panels and the option for multiple sliding doors allowing light to flood into your living space.

Your **ERA** Five Star Guarantee
